January 5, 2022-The Annual Brewery Tour

More details to follow. We will be touring Lakefront Brewery.

Thanks to a lot of hard work by VP of Programs Doug McTavish, we have had a great slate of speakers.

- ❖ Most recently, Dennis Kois, gave an excellent talk about the Yerkes Observatory and showed us many of the treasures that are archived and talked about the great minds who have studied there. The restoration and developing a new museum are in the works. Dennis is looking to raise a large amount of money. With all the deep pockets in our club, think about a donation or naming rights to a wing of it.

A descendant of the socialite Yerkes family, our own humble Chuck Yerkes is pictured here with Dennis Kois.

- ❖ On December 1st we had Ben Habanek, The Villages Services Foreman, Horticulturist/Forrester gave an intriguing and passionate talk about the health of our trees in Shorewood. You would be amazed at all the facts you don't know about Dutch Elm Disease and Emerald Ash Bore infestations and how it will impact the ecoculture of our town. Visit this site and look at the public tree inventory app to see how healthy the trees are on your parkway!

Very fascinating to listen to. I never knew it could be so interesting. This is the elusive Ash tree destroyer The Emerald Ash Bore.

*A big shout out to everyone who worked there rear off to make our first fundraiser in almost 2 years, The 2021 Turkey Raffle, a success. Almost \$4,700 was raised. This is the first significant revenue we have had since the Turkey Raffle in

2019. Also, when you are out and about and stop in a donor's business--tell them "Thank You" they made a difference.
